Subject: RE: Signature pages on agreements

The 9019 motion did not have executed versions attached. We discussed this with Alan. On the same day we did file the executed docs after they were received. See Docket No. 2200.

Catherine Garypie drew my attention to the fact that the signature pages that appear in pacer have no signatures on them. Was that an oversight? Are we sure that the right draft got filed? Was it intentional? Thanks.
